"PREPARED BY AND FOR THE WALT DISNEY WORLD CAST"

SEPTEMBER 11, 1981

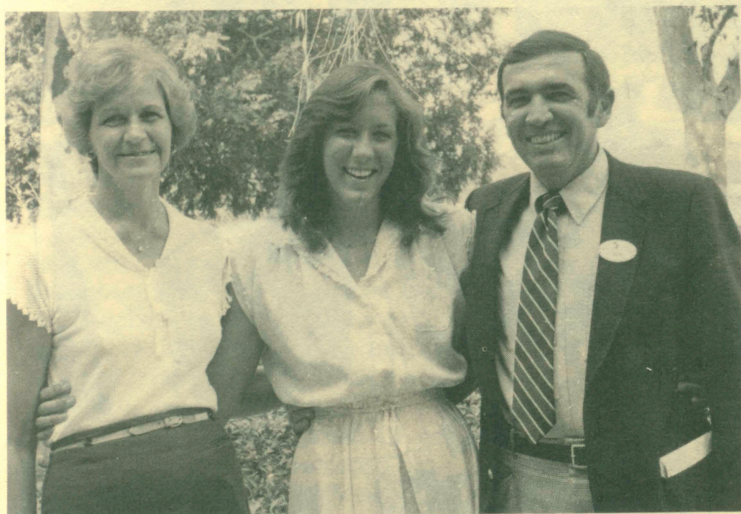

## DISNEY FOUNDATION SCHOLARSHIP PROGRAM LOOKING FOR 1982 RECIPIENTS

This year marks the 19th annual college scholarship program offered by the Disney Foundation, and the deadline for your son or daughter is closing fast ... **October 1, 1981.**

This scholarship program is open to all high school seniors whose parent(s) are qualified employees of Walt Disney Productions and associated companies, and who will be graduating from high school in the spring or summer of 1982.

The parents must submit an **application** for the program to the Disney University no later than October 1, 1981. Application forms are now available at the Disney University, first floor of The Center.

Last year, 6 of the 10 available scholarships were awarded to dependents of employees here at Walt Disney World. A full tuition scholarship was awarded to **Linda Kohl**, daughter of **Bob Kohl** of Reedy Creek Utilities Co.

*Linda Kohl, pictured here with her parents Claire and Bob Kohl, was one of last year's recipients.*

Half-tuition scholarships were awarded to:

- **Donna Siano**, daughter of **Mary Ann Siano**, Resort Division
- **Kathleen O'Connor**, daughter of **Madeleine O'Connor**, Merchandise Division
- **Karen Young**, daughter of **Roy Young**, Operations Division
- **Michael Pharr**, son of **Peter Pharr**, Security Department
- **Jay Smathers**, son of **Arra Mae Williams**, Administration

To qualify for this scholarship program, the graduating senior's parent must be a permanent cast member (full time, 20 or more hours each week) of Walt Disney Productions or its

domestic subsidiaries or associated companies working full time in the United States. Also, the parent must have completed one year of continuous service with the Company since his or her most recent hire date by October 1, 1981, and still be employed on the date the scholarship is awarded.

Each scholarship candidate is required to take the College Entrance Examination Board Scholastic Aptitude Test and must complete a biographical questionnaire and college notification form. In addition, each candidate must request a high school counselor to complete a secondary school report and send the form directly to the Educational Testing Service.

Winners of the Disney Foundation Scholarship program are selected on the basis of comparative test results, detailed scholastic and other information obtained from the testing service as well as other available indications of leadership, achievement, and college and career potential.

Scholarship winners are selected by an impartial committee of leading educators, business and professional people unassociated with the Disney organization.

### AMBASSADOR INFORMATION SESSIONS BEGIN MONDAY

There is still time for you to stop by your **Division Training Office** or the **Disney University** to complete a reservation card for next week's 10 Ambassador Information Sessions. Attending one of these sessions is the **first step** toward seeking the position of our 1982 Walt Disney World Ambassador.

The program is open to all Walt Disney World cast members who are 18 years or older.

Our 1981 Ambassador, **Robin Maples**, will host each of the sessions, giving a detailed explanation of the program, the application process and what to expect during the selection procedures. There will also be a question and answer period.

There will be two Information Sessions next week, Monday through Friday, from 9 till 10:30 a.m. and again at 5:30 till 7 p.m. The sessions on Monday, Tuesday, Thursday, and Friday will be at the Disney University, first floor of The Center. Wednesday's two sessions will be at the Lake Buena Vista Training Office.

For more details, call the Disney University at 824-4744.

# To the Cast of Walt Disney World:

The World Showcase Fellowship Program is quickly approaching its final days. We, the students, have learned and experienced a great deal throughout the entire 11 weeks of this program. But more importantly, we have had an opportunity to meet and work with many of you. We would like to express our gratitude and appreciation to everyone for their patient help, friendliness and enthusiasm. Now we understand why Disney takes such great pride in their employees.

We wish to extend a special thanks to each of you in the Division Training Offices who taught us a tremendous amount about the operation of Walt Disney World Co.

Also, we want to thank those who participated in the weekend host family program. We wish we could have spent more time with you. We appreciate the time and effort of those who trained us in our work locations.

And, of course, to everyone throughout the Company who went the "extra mile" in making our 11 weeks here something very special indeed, we also send our gratitude.

As we board the airplanes for home, we take with us not only the many souvenirs of Walt Disney World and Florida, but also wonderful memories of a great summer and of all of you who made it possible!

## MONORAIL "DOWN" FOR REHAB MONDAY

Beginning Monday, September 14, the Express Monorail operation linking the Transportation and Ticket Center (TTC) with the Magic Kingdom will be closed. This is due to extensive construction required to complete the new Epcot Center monorail loop.

Normal monorail operation is scheduled to resume on Friday, December 11.

During this period guests will utilize ferryboats to travel between TTC and the Magic Kingdom.

Monorail service connecting the Magic Kingdom with the Contemporary Resort and Polynesian Village will continue to operate during this construction period.

## MOUSELLANEOUS

### PARKING STICKER RENEWAL PROCEDURE CHANGE

Please note this important change in the procedure for renewal of parking stickers. Effective immediately you must renew your Walt Disney World parking sticker during your birth month.

As you know, we have been renewing stickers according to the month of Florida vehicle inspection. Since the state has discontinued this program, the new "birth month" system will be a convenient way to handle Walt Disney World parking sticker renewal.

Your current vehicle sticker is valid only until its expiration date or your birth month, whichever comes first. If your sticker expires **before** your birth month, be sure to renew it **before** it expires. You will then renew it again during your birth month.

Your **Walt Disney World ID card** will be validated at the same time.

To get a Walt Disney World parking sticker for a new or replacement vehicle, simply present your valid driver's license, a valid vehicle registration certificate, and Walt Disney World identification card.

Casual Temporary parking stickers are required and will be issued to all C/T employees upon presentation of a valid driver's license, valid vehicle registration certificate and Walt Disney World C/T identification card.

## TICKET JAMBOREE "PUNCHED OUT" AUDIENCE

One of the first cast members a guest meets probably works out of **Tickets** . . . at either the TTC or Magic Kingdom entrance. Ticket takers are the unsung heroes that give out, take in, punch, date, and stamp the tens of thousands of tickets daily.

With hands that are sometimes quicker than the eye, it came as no surprise that intense competition soon developed between "takers."

So, to take advantage of this friendly spirit of competition, and have a little fun doing it, last Friday was declared Ticket Jamboree Day at the Westgate Cafeteria.

Participating in the scheduled events, skits, and fun were over 80 ticket takers, struttin' their stuff in this first ever event.

The challenges ranged from the Tickets Feud (based on television's Family Feud) to Passport stamping, cash counting, and guest count tabulations against the clock. There was even a Ticket Band and the highly praised Ticket Dancers for entertainment between competition.

The participants and winners were all presented with just what everyone wants . . . an ice cream cone at Borden's, Mickey Mouse sun visor, and Westgate Cafeteria complimentary meal! **Luis Santiago** walked away as the Magic Kingdom All-Star for his outstanding performance. For his efforts, Luis picked up dinner-for-two at Liberty Tree Tavern, reservations at the Diamond Horseshoe Revue, and an Epcot Center license plate!

Everyone involved had such a good time that they can say they look forward to this becoming an annual event.

With hands moving like Superman's, **Passport Stamping** was as much fun to watch as participate!

The All-American College Marching Band has nothing to worry about from the **Ticket Band** . . . yet!

## I HAVE AN IDEA

### PUT YOUR WINNING IDEAS TO WORK

Over the past several months, the "I Have An Idea" committee has received many excellent ideas from cast members just like you! Here's a sampling:

- **James Lindsey** of Tomorrowland Maintenance revised the Audio-Animatronic Maintenance Manual, which will be used in the next revision/printing of the booklet.

- **Harry Gary** of Furnishings changed the procedure for building and assembling desk drawers, re-

sulting in a substantial savings in assembly time.

- **Robert Pfaff** of Contemporary Resort Lodging recommended putting laundry bags in the same drawer as the laundry list, which is in all guest rooms in our resorts.

- **Raymond Sutherland** of Arcade Maintenance suggested the replacement of all windows in the time clocks with a ¼" lexan plastic sheet.

Each of these cast members received a certificate thanking them for their contribution to the "I Have An Idea" program, and some were presented with a dinner-for-two at a Disney restaurant.

You too can be involved in bettering your company by first thinking up a creative idea, then writing it down and dropping it in one of the idea boxes located in all breakrooms. Put your ideas to work with our "I Have An Idea" program!

## EPCOT CENTER UPDATE

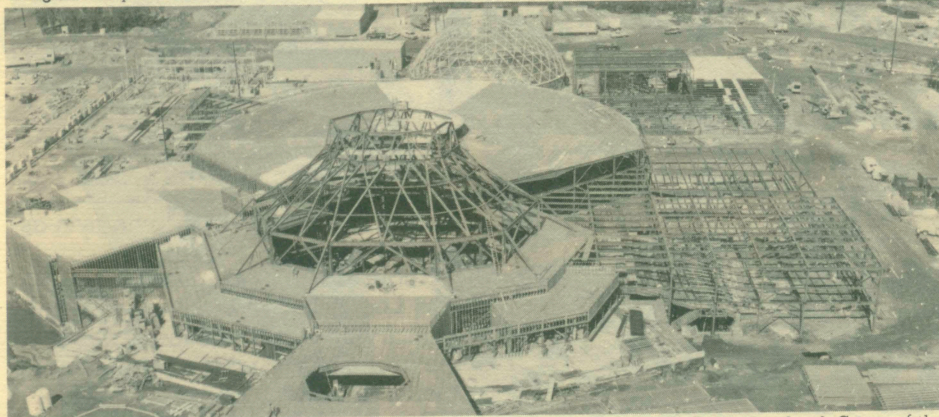

Future World will be the first experience our guests will encounter when entering Epcot Center. Future World is also the furthest along in construction at this time.

General Motor's World of Motion took shape first, rising toward the sky at a rapid pace. Then the Universe of Energy, sponsored by Exxon, took its cue from General Motors.

Today, however, Future World has finally taken a definite shape with six out of eight pavilions already becoming a reality. These photographs were taken just last week, and reflect the vast effort being undertaken in Future World.

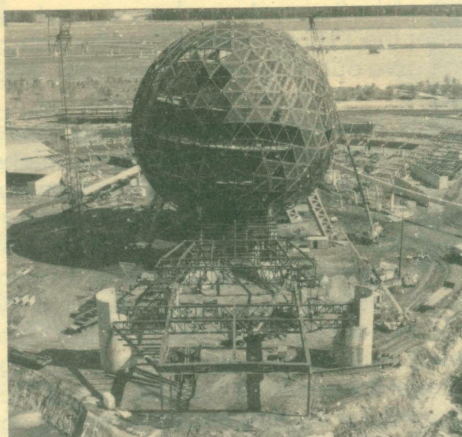

Foundation work has begun on Kodak's *Journey Into Imagination* pavilion.

The *Land* pavilion will be huge, covering an area as big as the Magic Kingdom's Fantasyland. Some of the interior plants have already been brought to the site.

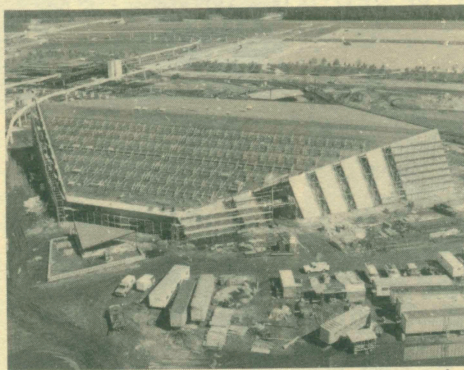

Guests exiting *Spaceship Earth* will enter the *Communicore*. Shown here, land preparation and grading has begun for this area adjacent to *Spaceship Earth*.

*Spaceship Earth* will be the gateway into Epcot Center, and promises to be an impressive landmark fronting the area.

GM's *World of Motion* was the first pavilion to start construction, and is well along the way to completion.

Part of the electrical power needed to operate the *Universe of Energy* pavilion will be supplied by thousands of photo electric cells located on the roof of the structure.

## CAST ACTIVITIES

### WHAT'S A RADIAL HUB?

Well, we hate to let the "cat out of the bag," but a Radial Hub is that key Disney planning secret which is encompassed in much of our installations, now copied all over the world because it works so well . . . but it's also the basic idea for the wheel, in this case a bike wheel. Cast Activities, in line with some other plans for our big Tencennial coming up, is planning a 10,000-meter, first-ever bike race, on property!

More information in forthcoming issues of **EYES & EARS**, but the important thing is to sign up now if you are interested, at Cast Activities at The Center or at Lake Buena Vista. In all cases, leave your call-back numbers, and your **department name** and we'll do the rest. Can't make it to our offices? Just call in the information to either 824-4254 or 828-3977. Act now if you want to take part in our first "Radial" event ever in honor of our Tencennial.

### FITNESS CLASSES THIS FALL

In planning your activities this fall, why not include a fitness program in your personal agenda! Here are several classes and programs being offered:

- **Aerobic Dancing, Inc.**

This group will be offering classes throughout Orlando and our surrounding communities at various times each day. The program combines the health and figure benefits of jogging with the fun and rigor of dancing. Each session lasts 12 weeks, meeting twice a week. The cost is \$60 (equals \$2.50 per class) and begins September 14. Brochures available in Cast Activities, or call 896-1434 for details.

- **Perfect Fitness**

This group combines yoga, isometrics, stretching, and aerobics in a controlled exercise program. The class meets Mondays and Wednesdays from 5:45 to 6:45 p.m. at the Hotel Royal Plaza in Lake Buena Vista. Each class costs \$3 and will provide increased energy, stamina,

and improve your self image. To enroll, call Mary at 828-2828, extension 1824.

- **Shape Up Inc.**

This program works on the principles of toning muscles through a routine of exercise based on yoga, ballet and orthopedics. The supervised moves will reduce, tone, and relieve tension! Classes are offered Monday through Saturday at varying times daily. The cost is from \$3 to \$3.50 per class, depending on frequency of attendance. All classes will be held at the Turkey Lake Village Center on Kirkman Road. Cast Activities has scheduled class times, or call them at 352-0606.

## SPORTS, CLUBS & SPECIAL EVENTS

### FALL SOFTBALL MEETING

On Wednesday, September 9, at 7 p.m. in the Cast Activities Lounge, 2nd floor of The Center, a meeting will be held to organize a **Monday Night Ladies' Softball League** and **Friday Night Co-ed League**, with a target start date for the week beginning Monday, September 21. A minimum seven-week season is planned with a "must-end" date the week beginning November 30.

Men's teams interested in filling vacated spots that could arise in the current Tuesday, Wednesday, and Thursday leagues will also be considered. A minimum of four teams is needed to start play in both Ladies' and Co-ed leagues with a possible option of playing both leagues on Monday evenings.

All this and other information will be explained at the meeting, so all interested team managers and/or individuals interested in these leagues should plan to be at the meeting. Call Cast Activities and ask for Murph (Tuesday through Fridays, 9 a.m. to 5 p.m.) for the answers to any questions.

## FALL/WINTER BASKETBALL MEETINGS PLANNED

Two important organizational meetings for our winter/spring basketball season will be held on September 17 and 24, both Thursdays, at 7 p.m. in the Cast Lounge, second floor of The Center. The league will start play with "show-up" week games only on Monday, October 5, with regular league play to start the week beginning Monday, October 12. All games will be played at the Pine Hills Boys' Club Gym.

The first 12 teams to respond by September 17 will comprise this league, playing all contests, except tournament play next year. If enough response is evident in the form of bonafide teams over the 12 total, these teams will be formed into a league to play on a later day in the week, one game each week, depending on gym availability. Rosters and instruction sheets will be given out at this first meeting and teams will fill out a league organization sheet.

At the second meeting, team fees (with no exceptions) and completed rosters will be turned in. Start planning now as to who your team members will be and clear your datebook for these two important meetings ... September 17 and 24.

## FANTASYLAND THEATRE HOSTS FAMILY FILM FESTIVALS

Cast Activities will be using the Fantasyland Theatre, formally known as the Mickey Mouse Revue, for our Family Film Festival presentation of Condorman.

To assure that you have no problem finding the theatre or being admitted, please follow these instructions.

(1) Park in the North Service Area parking lot, across the street from The Center. **No one** will be allowed to park in the tunnel area.

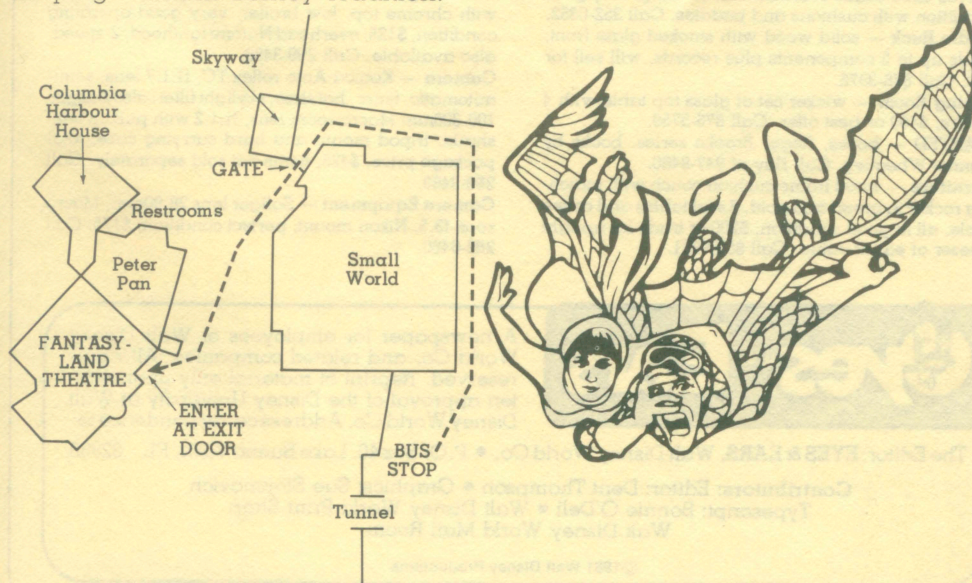

(2) Show your Family Film Festival ticket to board the employee shuttle bus at the North Service Area for transportation to the tunnel area. You may begin boarding the bus at 6 p.m.

(3) Once at the tunnel entrance, please do not enter the tunnel area but follow the signs to the gate between the Fantasyland Skyway and It's A Small World. This is the **only** gate which will be open to Family Film Festival ticket holders.

(4) A host or hostess at the gate will check your ticket and direct you to the exit door of the Fantasyland Theatre, located between the Castle Camera Shop and Troubadour Tavern. Once there another host or hostess will tear your ticket in half and admit you to the theatre. Keep your ticket stub.

(5) At the conclusion of the Family Film Festival presentation, exit the theme park through the same gate and reboard the employee shuttle bus for transportation to the North Service Area parking lot. You will be required to show your ticket stub before boarding the bus. **The park will be closed at the conclusion of the movie so be sure to park in the North Service Area.**

We would like to remind all cast members that family and friends are not allowed in tunnel or backstage areas, and as always there is no eating, drinking or smoking inside our theatres. We appreciate your cooperation in keeping with this Disney Tradition.
